

## Peace of Mind for the Drive Ahead<sup>™</sup>

SureDrive<sup>™</sup> is a connected car app that gives you insight into the status of your car – and loved ones driving it.

### Now Directly Integrated with Law Enforcement

#### CrashBoxx<sup>™</sup> Instant Crash Alerts

Advanced sensor systems are designed to know when you've just hit a bump in the road, and when it's something more serious. Trained U.S. based agents can help get you assistance if needed.<sup>1</sup>

#### Tripwire<sup>™</sup> Early Warning

Get timely alerts if your car moves when you don't want it to, like if your vehicle is towed or stolen. Set the Tripwire with the push of a button.<sup>2</sup>

#### Nationwide Stolen Vehicle Recovery

Lojack is here to help if the unthinkable happens. If your vehicle is stolen, a simple call can help law enforcement quickly locate and track your vehicle.<sup>3</sup>

#### Virtual Boundaries

Get notified when a loved one arrives at their destination. Easy set-up, with timely alerts.<sup>4</sup>

#### Speed Alerts

Get notified if a loved one goes faster than they should.

And other features, including [Trip History](#), [Where's My Vehicle](#), [Find Parking](#) and more.

1. The vehicle's ignition must be on to detect an incident. Response time of law enforcement may vary. 2. Do not approach the vehicle in response to a theft notification unless you are certain the situation is safe. 3. Response time of law enforcement may vary. 4. Up to ten Virtual Boundaries may be set at one time.
